

APPENDIX I:
SECTIONS OF THE DRAFT RECOMMENDATIONS TO BE CONSOLIDATED INTO ONE
SECTION CALLED "PROCESS"

Issues of case management and triage are scattered throughout the Task Force's draft recommendations. We suggest that you reorganize the recommendations as follows:

Section 3 - Caseflow Management

- Assessing cases for issues presented
- Checkpoints
- Early interventions
- Information to litigants
- Streamlining procedures for defaults & uncontested
- ADR (CDR)
- etc.

Section 10 - Scheduling of Trials and Long-Cause Hearings.

- Trials on consecutive days
- Priority for trials once commenced

Section 11 - Litigant Education

- Similar to the area "Information to litigants" in Section 3 above, except expanded.

Section 13 - Streamlining Forms & Procedures

- Areas about PROCEDURES should be in the Process section.
 - Simplified judgments
 - Expand summary dissolution
 - Simplify motion procedures
 - Changes in service of process
 - Process in parentage cases
- Areas about FORMS could be kept in a separate section following the Process section and referenced in it.
 - Form review / simplifying forms for stipulated judgments and motions
 - Creating more standard forms (document demand / motion to compel or enforce fiduciary duties, etc.)
 - Template custody declarations
 - Template stipulations on various issues

Expedite entry of orders and judgments.

Section 15 - Standardize Default & Uncontested Process

- Uniform default and uncontested process
